

SKIN CARE OPTIONS

CLEANSING OIL

Description

This gentle and effective cleansing oil removes makeup, brightens the complexion, purifies pores, and is packed with anti-aging and hydrating skin nutrients. This unique cleansing oil rinses away surface debris and waterproof makeup quickly and easily. Refines the appearance of pores, detoxifies, and nourishes skin.

Key Ingredients

- Coconut Oil - Removes oil based makeup, mild oil cleansing. Antioxidant and antimicrobial properties.
- Sunflower Oil - rich in nutrients and antioxidants, and is effective for combatting skincare issues like acne, inflammation, general redness and irritation of the skin.
- Vitamin E - an antioxidant that will help reduce the appearance of scars and marks.

Directions

Apply to dry skin and gently massage onto the face in a circular motion. Add water to emulsify into a milky cleanser, continue to massage into the skin and rinse clean with water. Follow-up with purifying cleansing gel.

SKIN CARE OPTIONS

PURIFYING CLEANSING GEL

Description

The cleansing gel is filled with nourishing botanicals to leave skin thoroughly cleansed, soothed, and protected. Gently lifts away impurities and reduces the appearance of enlarged pores, removes dirt and excess oil without drying or stripping the skin's moisture balance. Soothes skin inflammation, reduces excess oil production, and minimizes breakouts. Skin is left looking and feeling refined, smooth, balanced, protected, and radiant.

Key Ingredients

- Cocamidopropyl Betaine : mild amphoteric surfactant derived from coco-methyl esters. It is used as a foam booster, viscosity builder, and antistatic agent.
- Panthenol - the provitamin of B5 used as a lubricant, emollient and moisturizer for its ability to penetrate the skin.
- Aloe Vera Juice - provides healing and anti-inflammatory properties that reduce skin inflammation, acne and eczema.

Directions

Dampen the face with water. Apply a small amount to palms, rub together vigorously, and add a touch of water to create a lather. Massage the foamy formula evenly across the face in gentle, circular motions for up to one minute. Rinse clean with lukewarm water and follow with a favored [brand name] toner to suit your skin needs.

HYDRATION SERUM

Description

A restorative serum that deeply hydrates and nourishes dry skin.

Key Ingredients

- Hyaluronic Acid - keeps collagen synthesis up as well as retaining skin moisture, contributing to the anti-aging benefits to the skin.
- Hydresia SF2 - improves the aesthetics of all formulations and prolong the delivery of actives for unparalleled efficacy in personal care.
- Fresh Cells Mango - a natural fruit extract that acts as an anti-ageing, nourishing and repairing agent.

Directions

Apply to cleansed face and neck. Follow with your favorite moisturizer.

FACIAL OIL

Description

This face oil is formulated to restore hydration and leave skin feeling regenerated and resilient. Fine lines appear reduced and skin appears toned for a luminous lift.

Key Ingredients

- Jojoba Oil - anti-inflammatory agent, soothes irritated skin.
- Vitamin E - an antioxidant that will help reduce the appearance of scars and marks.
- Active ingredient- specialized oil/extract which targets a specific skin condition such as anti-aging or sensitive skin.

Directions

Apply every morning and evening to cleansed, dry skin. Massage 3-4 drops over the face and neck every morning and evening before serum and/or moisturizer.

TONER

Description

A cleansing toner that removes impurities and refines the appearance of pores for a deeply hydrated, healthy-looking, velvety soft complexion. The gentle formula clears the skin of surface debris, pollution particles, and residual impurities, while leaving it feeling refreshed and prepped for the skincare ritual that follows.

Key Ingredients

- Caffeine - a powerful antioxidant that constricts blood vessels to reduce redness.
- Vitamin B3 - improves the appearance of enlarge pores, uneven skin tone, fine lines and wrinkles.
- Witch Hazel - a natural astringent that helps tighten pores while reducing excess oil, dirt and bacteria on the skin.

Directions

After cleansing, gently sweep over the face and neck with a cotton pad. Can be used twice a day, morning and night.

MOISTURIZING DAY CREAM

Description

A lightweight, fast-absorbing cream that provides weightless moisture to balance and restore all skin types.

Key Ingredients

- Fractionated Coconut Oil - an effective lightweight moisturizer for the skin.
- Mango Butter - a natural source for Vitamin A and it helps reduce the appearance of fine lines while keeping the skin moisturized.
- Panthenol - the provitamin of B5 used as a lubricant, emollient and moisturizer for its ability to penetrate the skin.

Directions

Apply over face and neck twice a day. For daytime use, follow with your favorite broad-spectrum sunscreen.

SPF

Description

Ultra-lightweight sunscreen is incredibly comfortable, even for sensitive skins. The cream forms a protective veil that's virtually invisible on all skin tones. It absorbs quickly into skin and can be worn under makeup.

Key Ingredients

- Non-nano Zinc Oxide : Offers broad-band UVA/UVB protection, non-nano compliant, safe for the environment
- Hydresia SF2 - improves the aesthetics of all formulations and prolong the delivery of actives for unparalleled efficacy in personal care.
- Hyaluronic Acid - keeps collagen synthesis up as well as retaining skin moisture, contributing to the anti-aging benefits to the skin.

Directions

Shake well and smooth liberally over face 15 minutes before sun exposure and as needed. Apply after your daily skin care routine. Re-apply at least every 2 hours or after towel drying, swimming or perspiring.

EYE CREAM

Description

A moisturizing cream that is designed specifically for delicate skin around the eye, helping to improve its overall appearance.

Key Ingredients

- Aloe Vera Juice - provides healing and anti-inflammatory properties that reduce skin inflammation, acne and eczema.
- Cyclomethicone - provides a silky feel and acts as a mild water repellent by forming a protective barrier on the skin.
- Vitamin E - an antioxidant that will help reduce the appearance of scars and marks.

Directions

Apply every morning and evening to cleansed, dry skin. Massage 3-4 drops over the face and neck every morning and evening before serum and/or moisturizer.

MOISTURIZING NIGHT CRÈME

Description

Rich in fruit butters and emollients, this super-hydrating and fortifying treatment helps to quench and rejuvenate dry skin

Key Ingredients

- Mango Butter - a natural source for Vitamin A and it helps reduce the appearance of fine lines while keeping the skin moisturized.
- Vitamin E - an antioxidant that will help reduce the appearance of scars and marks.
- Vitamin C - an antioxidant that helps regenerate other antioxidants in the body. It helps uneven skin tone, fine lines and red marks.

Directions

Gently massage over face and neck as the last step of your night-time routine.

SKIN CARE OPTIONS

MASQUE

Description

A 10 minute treatment to instantly detoxify and brighten congested skin.

Key Ingredients

- Kaolin Clay - It helps to cleanse and exfoliate debris and skin cells by removing the impurities on the surface of the skin.
- Zinc Oxide - It promotes healing while soothing and clearing sensitive and acne-prone skin.
- Vitamin C - An antioxidant that helps in collagen synthesis, brights the skin, diminishes the appearance of fine lines and evens out the skin tone.

Directions

After cleansing, apply over face. Leave on for 10 minutes and rinse thoroughly with warm water.

EXFOLIANT

Description

Exfoliating cream refines skin texture, helping to smooth and polish skin and unclog pores. Helps minimize the appearance of fine, dry lines. Exfoliator clears the way for moisture and smoother makeup application.

Key Ingredients

- Vitamin C - An antioxidant that helps in collagen synthesis, brights the skin, diminishes the appearance of fine lines and evens out the skin tone.
 - Glycolic Acid - A powerful antioxidant that reduces blackhead and whiteheads. It also treats dullness, uneven skin tone and fine lines.
 - Allantoin - It is an effective moisturizing ingredient and it aids in wound healing for sensitive or irritated skin.
-

Directions

Massage over makeup-free skin, avoiding eye area. Rinse or tissue off.

SCRUB

Description

An all-in-one refining exfoliator and nourishing mask that creates the appearance of a softer, smoother, more radiant complexion. This scrub combats dullness, uneven texture, and dryness.

Key Ingredients

- Glycolic Acid - helps break down pore-clogging, dead skin cells that sit on the surface of the skin while diminishing the look of fine lines, wrinkles, and discoloration—revealing a brighter and more youthful-looking complexion
- Lactic Acid - stimulating exfoliation and cell renewal as well as providing moisturization, it provides anti-aging benefits
- Allantoin - improves the skin's moisture retention providing a soothing effect

Directions

Use warm water to massage your skin gently with the facial scrub for one minute. Rinse & dry your skin, followed by moisturization. Use the scrub only once or twice per week.

LIP BALM

Description

A perfect soothing balm for ultimate hydration and recovery that quickly repairs and restores lips.

Key Ingredients

- Sweet Almond Oil - helps rejuvenate the dead cells, prevent chapped lips and leave them moisturized.
- Shea Butter - helps protect delicate skin from damaging environmental effects, it locks in moisture and slows trans-epidermal water loss.
- Mango Butter - a natural source for Vitamin A and it helps reduce the appearance of fine lines while keeping the skin moisturized.

Directions

Apply evenly and liberally on your lips, as often as needed.
